

Hatred

Mortal Sin

A thousand years of hatred
A billion lives are lost
Victims of a brutal holocaust
Burning through the embers
Whip you like a slave
Watch the generals dancing on your grave

Hatred
Hatred
Hatred
Hatred

Hunting all the racists
Throw them in the fire
Show them all the truths of their desire
Shooting all the husbands
Raping all their wives
Watch the children running for their lives

Hatred
Hatred
Hatred
Hatred

Hatred breeds when people fill their needs
Hatred breeds when people pay their deeds
Hatred breeds when people face their greed
Hatred breeds when people plant the seed

Raising up a white flag
Surrender to the hate
Watch the victims closing on their fate
Marching to their graveyard
Walking on the dead
Hatred is addiction born & bred
