

Mighty Force

Mortal

not by might
not by force

not by might
not by force

not by might
not by force

there is a level
there is a higher level

there is a kingdom
there is a kingdom at hand

we are the vessels
we are the earthen vessels

You are Messiah
You are Messiah the Prince
You are Messiah
and You will reign forever!

not by might
not by force
by the spirit

You are the One eternal
You are the Messiah and You are king!
