Mortal

Blood red tape disaster
Slow swimming black
Disease
Seasons strangled sti-
Fled strained
Belief sold for diplomacy
Who will Heal the
Wounded skies
Politics terrify
Tear down the
Compromise and live
For love
Who will hear the silent
Cry
Our passions Crucify
There has to come a
Time when life will prove
Enough
Painted warning signs of
Life
Media Sinister selling
Spite
Deep runs the lies
Breaking Us down
Belief Sells security
Noble ends dubious
Means
Elude the Sleeper
Swift the gap closing
Between
The fool and the
Believer !
