

Darkspace

Morten Harket

In the dark space
When I close my eyes
I see your face shining
Like the moon in the night
And I must tell you
From my heart
I've been waiting my time
My love,
All over the world

You're with me, you're with me, with me,
You're with me, you're with me
Where ever I go

Remember who you're on the back of
Riding through the human race
Crossing these rivers of memories
Girl, you've got sunshine on your face

You're with me, you're with me, with me,
You're with me, you're with me
Where ever I go

Time, time's like a slow rising wave
Gathering, gathering up nights and days
And I feel, I feel I'm at the moment when it breakes
Yes I feel, we're at the moment when it breakes

You're with me, you're with me, with me,
You're with me, you're with me
Riding through you every night
You're with me, you're with me, with me,
You're with me, you're with me
And in our window there is light

Darkspace
Escuridão

In the dark space
Na escuridão

When I close my eyes

From my heart

You're with me, you're with me, with me,
Você está comigo, Você está comigo, comigo

you're with me, you're with me

Where ever I go
Onde quer que eu vá

Time, time's like a slow rising wave
Tempo, tempo é como uma onda lenta subindo

Gathering, gathering up nights and days
