

Demons Are Back

Mortiis

[Verse 1]

I got you down I got you good
I killed you dead I got you out of my head

[Chorus]

I'm burning up inside the demons are back
I'm burning up inside the demons are back

[Verse 2]

I am your fire your every desire
I'm serpentine I'm your violent dream

[Chorus]

I'm burning up inside the demons are back
I'm burning up inside the demons are back

[Verse 3]

I'm burning up inside with this animosity

All the shit I try to hide so raked with hostility

[Chorus]

I'm burning up inside the demons are back
I'm burning up inside the demons are back

[Outro]

Don't call me nothing
Nothing means nothing to me
Don't call your demons
Your demons mean nothing to me
I walked in darkness
Your darkness means nothing to me
Don't call your army
Your bullets they cannot hurt me
