

## Scalding the Burnt

Mortiis

Master Stares With His Only Eye  
Master Shouts But He Cannot Cry  
Tries To Bite But He Has No Teeth  
Sucking It Up Like A Human Leech

Master Sits Like A Glutton At The Feast  
Master Feeds Inside The Belly Of The Beast  
I'm Not You I Know This  
I'd Rather Drink To Death On Your Finest Piss

For The Sake Of Who I Thought You Were  
For The Sake Of The Illusion That You Are  
God Has Such A Pretty Charisma  
God Is Such An Attractive Enigma

No I'll Never Understand  
So This Is Your Gain?  
No Sedation Known To Man  
Could' Ever Numb This Pain

We're Stealing The Earnt  
We're Scalding The Burnt  
We Scream At The Crying  
We're Killing The Dying

I Hate Us, I Hate Us
