

Can't Refuse

Mosaic MSC

I call on You
You promise to show up each time that I do
So prove that's it's true
I look at You
Your beauty and kindness I cannot refuse
No, I can't refuse, I can't refuse

Walkin' with You
Through all of the years I thought I was alone
But I was so wrong
Comin' to You
You promise to show up each time that I take
So show me the way, show me the way
Show me the way

Dreamin' with You
I don't want a future that You wouldn't choose
So watch what I'll do
I'll stand with You
I will be fearless and I will be true
Will You stand with me too?
I'll stand with You, I'll stand with You

I'll stand with You
Jesus
I'll stand with You

When I look, I'll find You
When I look, I'll find You
When I look, I'll find You
Oh, when I look, I'll find You
Jesus, when I look, I'll find You
I know when I look, I'll find You
When I look, I'll find You
Jesus, when I look, I'll find You

I'll find You (I'll find You)
I know I'll find You (I know I'll find You)
(Ooh)

I call on You
You promise to show up each time that I do
So prove that's it's true
I look at You
Your beauty and kindness I cannot refuse
No, I can't refuse, I can't refuse
