

# Different

Mosaic MSC

There is a love I've found  
How do I explain it?  
People will come and go  
But You're different  
You're different

Look what He's done with me  
You wouldn't believe it  
I used to be dead inside  
I'm different  
I'm not who I was  
All because of how You love me

Holy, worthy, even in my weakness  
You are faithful, able  
Even when I'm lost You prove that  
Nothing compares to You  
Nothing compares to You

I'm different now  
You saw me drowning and You pulled me out  
I'm different now  
My tomb is open and I'm running out  
I'm different now  
The walls of my heart have come crumbling down  
I'm different now  
I'm not who I was  
All because of how You love me

Holy, worthy, even in my weakness  
You are faithful, able  
Even when I'm lost You prove that  
Nothing compares to You  
Nothing compares to You

Holy, worthy, even in my weakness  
You are faithful, able  
Even when I'm lost You prove that  
Nothing compares to You  
Nothing compares to You

Nothing nothing nothing  
Compares to You  
Nothing nothing nothing  
Compares to You

You took my sin  
And traded me life  
Buried my shame  
And ended my night  
No one who knows me  
Could ever deny  
They find me dancing  
Where I used to hide  
My chains are broken  
My heart is on fire  
This is a soul when it's fully alive

You took my sin  
And traded me life  
Buried my shame  
And ended my night  
No one who knows me  
Could ever deny  
They find me dancing  
Where I used to hide  
My chains are broken  
My heart is on fire  
This is a soul when it's fully alive

You took my sin  
And traded me life  
Buried my shame  
And ended my night  
No one who knows me  
Could ever deny  
They find me dancing  
Where I used to hide  
My chains are broken  
My heart is on fire  
This is a soul when it's fully alive

Holy, worthy, even in my weakness  
You are faithful, able  
Even when I'm lost You prove that  
Nothing compares  
Nothing compares

Holy, worthy, even in my weakness  
You are faithful, able  
Even when I'm lost You prove that  
Nothing compares  
Nothing compares to You  
Nothing compares  
Nothing compares to You

Nothing  
Nothing compares to You  
Nothing  
Nothing nothing no

You took my sin  
And traded me life  
Buried my shame  
And ended my night  
No one who knows me  
Could ever deny  
They find me dancing  
Where I used to hide  
My chains are broken  
My heart is on fire  
This is a soul when it's fully alive

You took my sin  
And traded me life  
Buried my shame  
And ended my night  
No one who knows me  
Could ever deny  
They find me dancing

Where I used to hide  
My chains are broken  
My heart is on fire  
This is a soul when it's fully alive

Holy, worthy, even in my weakness  
You are faithful, able  
Even when I'm lost You prove that  
Nothing compares  
Nothing compares

Holy, worthy, even in my weakness  
You are faithful, able  
Even when I'm lost You prove that  
Nothing compares to You  
Nothing compares to You...
