Mosaic MSC

Jesus, I'm grateful
You take me simply as I am
Jesus, I'm grateful
You take me simply as I am

Jesus, I'm grateful
You take me simply as I am
Jesus, I'm grateful
You take me simply as I am

All the blessings I've received
You gave me more than I could dream
You didn't stop where I could see

I don't deserve this love
I don't deserve this love

Jesus, I'm grateful
You take me simply as I am
Jesus, I'm grateful
You take me simply as I am

Of all the things I've received
And all the good You've given me
Your presence is the one I need

I don't deserve this love
I don't deserve this love

Jesus, I'm grateful
You take me simply as I am
Jesus, I'm grateful
You take me simply as I am

Simply as I am
Simply as I am
You love me as I am
You take me as I am

I don't deserve this love
I don't deserve this love
I don't deserve this love
I don't deserve this love

Jesus, I'm grateful
You take me simply as I am
Jesus, I'm grateful
You take me simply as I am

Jesus, my Savior
My whole heart surrendered
I give You my all, all my honest love

Jesus, my Savior
My whole heart surrendered
I give You my all, all my honest love

Jesus, I'm grateful
You take me simply as I am
Jesus, I'm grateful
You take me simply as I am

Jesus, my Savior
My whole heart surrendered
I give You my all, all my honest love

Jesus, my Savior
My whole heart surrendered
I give You my all, all my honest love

Jesus, my Savior
My whole heart surrendered
I give You my all, all my honest love

Jesus, my Savior
My whole heart surrendered
I give You my all, all my honest love

Jesus, my Savior
My whole heart surrendered
I give You my all, all my honest love
