

Eyes On You

Mosaic MSC

All I want is You
All I see is You
All I have I bring to You
'Cause all I want is You

And nothing compares, nothing comes close to You
No one can know the depths of my soul like You
And nothing compares, nothing comes close to You
No one can know the depths of my soul like You

'Cause all I want is You
All I see is You
All I have I bring to You
'Cause all I want is You

Nothing compares, nothing comes close to You
No one can know the depths of my soul like You
And nothing compares, nothing comes close to You
No one can know the depths of my soul like You

Eyes on You
You have all my attention
Eyes on You
You hold all my affection
Always You
Forever, I will keep my eyes on You
Eyes on You
You have all my attention
Eyes on You
You hold all my affection
Always You
Forever, I will keep my eyes on You
I will keep my eyes on You

Nothing compares, nothing comes close to You
No one can know the depths of my soul like You
Nothing compares, nothing comes close to You ('cause all I want
is You)
No one can know the depths of my soul like You (all I see is Yo
