

## Generous Love

Mosaic MSC

With every breath a new song  
With every day a new praise  
'Cause you're a good God  
You're a good God

I will taste of your goodness  
And I will dance in your mercy  
'Cause you're a good God

Your praise is always on my lips  
Your praise is always on my lips  
Your praise is always on my lips  
How could I keep it in?

Wherever I go you're with me  
Every step filled with blessing  
'Cause you're a good God  
You're a good God

Every hour in your love  
Still I can't get enough of you  
'Cause you're a good God

Your praise is always on my lips  
Your praise is always on my lips  
Your praise is always on my lips  
How could I keep it in?  
And how could I keep it in?  
How could I keep it in?

Generous love I could never find the end  
I could never find the end  
I'm overcome  
Oh, how you love me

Generous love I could never find the end  
I could never find the end  
I'm overcome  
Oh, how you love me

Generous love I could never find the end  
I could never find the end  
I'm overcome  
Oh, how you love me

Generous love I could never find the end  
I could never find the end  
I'm overcome  
Oh, how you love me

With every breath a new song  
With every day a new praise  
You're a good God  
You're a good God

You're a good God  
You're a good God

You're a good God  
You're a good God

You're a good God  
You're a good God  
You're a good God  
You're a good God

You're a good God  
You're a good God  
You're a good God

Generous love I could never find the end  
I could never find the end  
I could never find the end

Generous love I could never find the end  
I could never find the end  
I could never find the end

I could never find the end  
I could never find the end  
Oh, I could never find the end  
I could never find the end
