

Grace

Mosaic MSC

Oh, what a grace
Oh, what a gift to me
Here is my heart, it is my offering

Now what I am is not what I used to be
The weaker I get, the stronger you're making me

It's amazing how you love me
Like you love me
Like you want me close to you
It's amazing that you love me like you do

Like you do
Like you do

Grace is a home
A place that you've built for me
There is no end to the kindness you're offering

Now what I am is not what I used to be
You see the best, you're speaking it over me

It's amazing how you love me
Like you love me
Like you want me close to you
It's amazing that you love me like you do

Like you do
Like you do
Like you do
You love me like you do

Who would have known
This is what life could hold
How far we've come
And how far we've yet to go

I'm not who I was, I'm who you're making me
Grace is the path
Grace is the opening

It's amazing how you love me
Like you love me
Like you want me close to you
It's amazing that you love me like you do

It's amazing how you love me
Like you love me
Like you want me close to you

It's amazing how you love me
It's amazing that you love me like you do

Like you do
