

Love Of A Lifetime

Mosaic MSC

I wanna be with you
To the end of my days
I wanna be with you
You're the love of a lifetime

I wanna be with you
From the sunrise
To the end of my days
I wanna be with you

My patient, merciful creator
Kind as you are wise
You are lovely, constant in compassion
Steady by my side

I wanna be with you
To the end of my days
I wanna be with you
You're the love of a lifetime

I wanna be with you
To the end of my days
I wanna be with you
You're the love of a lifetime

My patient, merciful creator
Kind as you are wise
You are lovely, constant in compassion
Steady by my side

My patient, merciful creator
Kind as you are wise
You are lovely, constant in compassion
Steady by my side

My patient, merciful creator
Kind as you are wise
You are lovely, constant in compassion
Steady by my side

My patient, merciful creator
Kind as you are wise
You are lovely, constant in compassion
Steady by my side
