

Not Going Back

Mosaic MSC

I'm shattered to pieces, I'm whole in Your eyes
You hold me together when I lose my mind
You see me in detail, You're keeping me close
And when I have nothing, I still have it all

I'll stand, pure heart
Clear head, steady hands
I'll live with You
Wide open

And I'm so done with chasing the small dreams
I'm not bringing back all the dead things
I'm not going back to the old me
I'm choosing You
And I'm not going back
I'm choosing You
Oh, yeah

Realign my perspective to see through Your eyes
My hope burned to ashes but You're calling it back to life

I'll stand, pure heart
Clear head, steady hands
I'll live with You
Wide open

And I'm so done with chasing the small dreams
I'm not bringing back all the dead things
I'm not going back to the old me
I'm choosing You
I'm so done with chasing the small dreams
And I'm not bringing back all the dead things
And I'm not going back to the old me
I'm choosing You
And I'm not going back
I'm choosing You

Come on, there's some of you tonight
That needs to leave some things in the past
You need to say that you're done chasing things that are beneath you
For you want the living God's dreams for you
So tonight we lift this up
And we sing not just this moment, come on

Not just this moment but for the rest of my life
(Heart and soul)
Heart and soul, I'm, I'm choosing You
There is no question, I've made up my mind
Heart and soul, I'm, I'm choosing You
Not just this moment but for the rest of my life
Heart and soul, I'm, I'm choosing You
There is no question, I've made up my mind
Heart and soul, I'm (Come on declare it, it is not just in this moment)
I'm choosing You (But it's for eternity)
Not just this moment but for the rest of my life
Heart and soul, I'm, I'm choosing You
There is no question, I've made up my mind

Heart and soul, I'm

I'm so done with chasing the small dreams
I'm not bringing back all the dead things
And I'm not going back to the old me
I'm choosing You, oh
I'm not going back, I'm choosing You
I'm not going back, I'm choosing You
And I'm not going back to the old me
I'm choosing You

Not just this moment but for the rest of my life
Heart and soul, I'm, I'm choosing You
There is no question, I've made up my mind
Heart and soul, I'm, I'm choosing You
