

# Rejoice

Mosaic MSC

Every one  
Of the fallen tears  
Of the rising fears  
He sees

Every one  
Of your anxious ways  
Of your shattered days  
He knows

He will give me every strength  
To fight another day  
My soul  
Rejoice  
He endured the greatest pain  
To take my pain away  
My soul  
Rejoice  
I will rejoice in the Lord

Every one  
Of my old dead ends  
Of my desperate sins  
You see

Every time  
I cry out in need  
I need help to breathe  
You're air

He will give me every strength  
To fight another day  
My soul  
Rejoice  
He endured the greatest pain  
To take my pain away  
My soul  
Rejoice  
I will rejoice in the Lord

The tears they will rush  
The flood rising up  
But the joy is to come  
It's him that I lean on  
He is my haven  
The shelter I'm safe in  
He's my resilience  
And I won't be shaken

He will give me every strength  
To fight another day  
My soul  
Rejoice  
He endured the greatest pain  
To take my pain away  
My soul  
Rejoice

I will rejoice in the Lord
