

So I Sing

Mosaic MSC

All Your dreams come to be
The beauty in everything set free
You put this all inside of me
Your love so wonderful to speak

So I sing, "Hallelujah!"
So I sing, "Hallelujah!"

My life surrendered at Your feet
Your love is changing me, set free
And time after time, You fight for me
When all of my strength is gone, You carry me

So I sing, "Hallelujah!"
So I sing, "Hallelujah!"
So I sing, "Hallelujah!"
So I sing, "Hallelujah!"

Your love goes on, Your love goes on
Your love is strong, Your love has won
Your love goes on, Your love goes on
Your love is strong, Your love has won
Your love goes on, Your love goes on
Your love is strong, Your love has won

So I sing, "Hallelujah!"
So I sing, "Hallelujah!"
So I sing, "Hallelujah!"
So I sing, "Hallelujah!"

Your love goes on, Your love goes on
Your love is strong, Your love has won
Your love goes on, Your love goes on
Your love is strong, Your love has won

Your love goes on, Your love goes on
Your love is strong, Your love has won, oh
