

## Unexpected Roads

Mosaic MSC

Oh, isn't it amazing  
Your imagination  
Your beautiful mind

Oh, I never see it coming  
The future you're creating  
Always surprised

When I thought my biggest dreams impossible  
You have proved me wrong every time  
When I confess the deepest prayer within my soul  
You just pull me closer

Lead me down unexpected roads  
I don't know where I'm going  
I know I can rely on you  
I will stand here in the middle of the journey  
Ready for what's coming  
As long as I'm with you

Oh, isn't it amazing  
That nothing's ever wasted  
In your eyes

It's a celebration  
That you came to give me purpose

Lead me down unexpected roads  
I don't know where I'm going  
I know I can rely on you  
I will stand here in the middle of the journey  
Ready for what's coming  
As long as I'm with you

You're my commander  
I bind myself to you  
I want to be with you  
Can't do this without you

You're my companion  
You are the life I choose  
I want to be with you
