

Ascension

Moses Sumney

Is there relief
For tender-headed hearts
We'll find reprieve
When from this earth we part

Na na na na na na na na...

The sky seems clear
Devoured with closed eyes
The end draws near
Your body severs ties

Na na na na na na na na...

Been waiting for
This moment
For too long to regret
You let go
Your spirit flows
Your troubles
Ascend

Na na na na na na na na...
