

Pleas

Moses Sumney

Can you talk in monochrome
Pleas, pleas
And throw this vehicle frame my bone
Pleas, pleas
Nobody's loved me before
Pleas, pleas
Never felt anyone mourn
Pleas, pleas

Why don't you give me what I want
Love you don't give yourself will always haunt

Drag me limping to the light
Hang my head up to the sky
Fight your fear with little lights
And I'll pretend that it's alright

I need to know if you hear my
Pleas, pleas
Do you wanna spend the night
Pleas me, yeah

Why don't tell me what you want
Love you don't give yourself will always haunt

Pleas, pleas, pleas, pleas
Pleas, pleas, pleas, pleas, pleas...

So will you talk in monochrome
Pleas, pleas
