Waiting in the car
I shed out tears
Right by on the car
I stay up on weekdays for you

Of course I poise it
Of course I did
Of course I have no voice in it
Of course I did

Too young too dumb to turn me low
These bends have fallen to stay on course
Can I hit your end?
Did I demoralize?

Of course I poise it
Of course I did
Of course I have no voice in it
Of course I have no voice in it
Of course I did

Did
