

Can't Forgive

MoStack

Hey, don't let me love you if you love someone else
Don't let me love you if you love someone else
Don't let me love you if you love someone else
Don't let me love you if you love some-, don't let me love you if you-

Ta-da-ta-da-da-da
Ta-ta-da-da, ta-da-da-da, da-da
Ta-ta-da-da, ta-da-da-da, da-da
Ah-ah-ah, ta-ta-da-da, ta-da-da-da, da-da
Ta-ta-da-da, ta-da-da-da, da-da
Ah-ah-ah, ta-ta-da-da, ta-da-da-da, da-da
Ta-ta-da-da, ta-da-da-da, da-da

And this is basic things (Yeah)
If you don't like me, don't say these things (Yeah)
Ayo, I hate these feelings
In the clubs and I didn't let these ladies in
Bein' loyal weren't the greatest thing
Let's go (Let's go, let's go)
You wan' play with my heart and I really didn't know
I went with the flow and that kinda left me seasick (Mm-hmm)
It's a cold world, I'm kinda gettin' freezin'
You know what? Just leave it (Mm-hmm)
If you nah like me then say it like you mean it
All the fake love, I done seen it
Girl, you need to feel it
How'd you let me down?
How'd you treat me like rebound?
My heart's lost, I won't be found
I don't want nobody now
Olo sholo bol'e down
You made my heart go

Ta-da-ta-da-da-da
Ta-ta-da-da, ta-da-da-da, da-da
Ta-ta-da-da, ta-da-da-da, da-da
Ah-ah-ah, ta-ta-da-da, ta-da-da-da, da-da
Ta-ta-da-da, ta-da-da-da, da-da
Ah-ah-ah, ta-ta-da-da, ta-da-da-da, da-da
Ta-ta-da-da, ta-da-da-da, da-da

I can't forgive you for what you've done
But I can't forget it was once fun
I liked you a lot, I wouldn't say it's love
But we can't go back to what it once was
You're the one that got away and I don't know how
I still check your page through my fake profile
Movin' too fast, guess we had to slow it down
Would you put it in your arse if the feds roll 'round?
I swam in your heart, I just pray I don't drown (I just pray I don't drown)
I just pray I don't drown
But it's alright (This is alright), it's okay (It's okay)
You're still mine (You're still mine) anyway (Anyway)
I don't care how long or hard it takes
I don't care about what rappers you date or footballers
You're still mine, you're still gorgeous
You make my heart sound like the chorus (Chorus)

Ta-da-ta-da-da-da
Ta-ta-da-da, ta-da-da-da, da-da
Ta-ta-da-da, ta-da-da-da, da-da
Ah-ah-ah, ta-ta-da-da, ta-da-da-da, da-da
Ta-ta-da-da, ta-da-da-da, da-da
Ah-ah-ah, ta-ta-da-da, ta-da-da-da, da-da
Ta-ta-da-da, ta-da-da-da, da-da

I wouldn't say my heart's broken
It's just a bit cracked open, yeah, yeah, yeah
Do you love me or are you trollin'?
I'm with the gyal 'em patrollin', yeah, yeah, yeah
They don't love me, they don't show it
