

I Like It

MoStack

I sound drunk right now, but I like it
I sound high right now, but I like it
High Street Kid

The beamer's out to show off but we ride out one hundred
She thinks I don't know that her ussy done wonders
Fur coat made by some hunters
Asian gyal, lookin' real Pocahontas
I brought a hoe to my home and I could have avoided
But that's what happens when you leave your dick to make choices
Spend money on cabs and food and enjoyment
Soon cop a big ride, no need for your Oysters
Tints on a ride? No need, cause
Mandem turned the car into a hotbox, the window dem steamed up
Now ya can't see inside, but that's how I like it
My gyal don't speak no English, but that's how I like it

Underwear matching, that's how I like it
She no do no bragging, that's how I like it
Money on my mind, that's how I like it
Stay on your grind, that's how I like it
Finger on the bottle, that's how I like it
Kid staying with a model, baby, that's the way that I like it
I can't fight or hide it
That's just the way that I like it, I like it

I used to be a bus wanker, now I try have sex in the Benzes
She says she's offended
And how I act up in front of my friendses
She said I'm too anti, nah
I just don't want to speak to you, aunty
I'm feelin' like the man right now
Gotta give thanks right now
I'm a millionaire, I just ain't
Got it in my bank right now, in my bank right now
My niggas driving, no license, plus he's on license
Baby, I'm the bomb like ISIS
I fucked, then you wifed it, then you find out that I piped it
Look on his face, so priceless
Put money in his bank, that's your boyfriend
No petty in his tank, that's your boyfriend
Petty little tramp, that's your boyfriend
Bitch on the 'Gram, that's your boyfriend

Underwear matching, that's how I like it
She no do no bragging, that's how I like it
Money on my mind, that's how I like it
Stay on your grind, that's how I like it
Finger on the bottle, that's how I like it
Kid staying with a model, baby, that's the way that I like it
I can't fight it or hide it
That's just the way that I like it, I like it, I like it a lot

Gyal in the backup, that's how I like it
Put gyal in the lapper, that's how I like it
She's feelin' the rapper, that's how I like it
That's how I like it, that's how I like it

I like it, I like it, I like it
I like it, I like it, I like it
Yeah, I like it
That's the way that I like it, I like it (that's how I like it)
I swear I like it, I like it
I swear I like it, I like it
I like it, I like it
I like it (that's how I like it)
