

It's Over

MoStack

See tonight we ain't raving, pullup in the whip wheres the paig
ons?

Wag1 my brudda, I trust no one but I trust my mother

Love fit girls for a skinny little fucker

Bed get bruck up, back get mash up

Big booty is my duty, and your girlfriend is my groupie

She said she don't speak to no other guys, she had a voice on t
he phone like whos he?

Shhh! I think he heard me

Bad gyal, she just did him dirty

And now the rumour is the boy wanna burst me

You can't take me out of this earth if you didn't birth me

Blud she's a player, she's a naughty one

How many boys has she fucked? like 41

And she fuck your one, and then she dropped her out

And now she's calling us why are you calling us?

He found out that you were a hoe, and he was thinking nono caus
e he really, really likes you

Like this can't be true, this can't be you man I swear he would
of wifed you

So I don't trust no girl and I don't trust no one and I don't t
rust no guy to

Cause I can see them changing on me lord I can see them changin
g on me ohh, ohh

You was a [?] I made you feel comfy and now you're taking kindn
ess for weakness

Lord hold me back, please hold these straps cause I don't want
to squeeze it

Mr nice guy is going and the bad guy is coming oh lard I can fe
el it

And we hustle everyday, all my niggas move yay

Cause they feeling like Jesus

Now I'm leaving, got what I needed

Now look at what she did

Girl I don't want nothing to do with you

I swear that I'm through with you now I'm leaving

Nothing to do with you

I swear that I'm through with you now I'm leaving

Got what you needed, now look what she did

And its over

Cause I can see your true coloursss, no friends we just do brot
hers, I've seen the way they do othersss

Now I want nothing to do with you, so long
