Why would I block you, bro?

'Cause you're weird like that and tomorrow, you're not gonna be changed, what you on about?

Yo

But you know that I got you, between you and me (Yeah)

It's like we hug then we fight, I don't know if it's love or life (Don't know if it's love or—)

Sometimes I argue on purpose, so we can have make-up sex (Hahaha)

I take the piss (I know I know), ayy, come here and give me a kiss (Ayy, come here)

Know it's you that I miss (It's you, baby)

No other guy can diss (No one)

Yes, you have, so let's not play these games

I diss you?

I ain't diss you for shit, you just want to send these dumb essays and talk crap all the time

Oh, here we go, I never send essays

You didn't send essays? You're a liar, you're always gettin' in your feelings

I ain't got no feelings, you don't know I'm a cold ass bitch

Ah-mh-hahaha

I ain't dumb, I know they only here for the fame and riches (The funds)

But this one felt different (Man), boy, was I trippin'

Bro told me, "Don't trust her" (Should've listened, man) and he really weren't kiddin'

She ain't got no sense, go, get lit with your ho-ish friends

I see you smokin' the the weed and blem, now you're a five when you was a ten (Done out)

Keep doin' up kush

You're probably with the ballers doin' up snus or probably with the rappers freein' up puss

I don't want you back, I'm good (No way)
Even though I'm busy (Busy), I always make time for Nizzy (Nizzy)
And I always have love for Rose (Rose)
And my heart still always stay with me (Uh)
