

## Respect & Love

MoStack

'Cause of the beef, you need some new tings  
Gangstas with style, they do the bootings in Louboutins  
Pass them the TEC and glove  
They just want respect and love  
When they jump out the oo-oo-oo-oo (The oo-oo-oo-oo)  
This ain't no ordinary drive-by  
Jumped out the oo-oo-oo-oo (Jumped out the oo-oo-oo-oo)  
Oo-oo-oo-oo (Oo-oo-oo-oo)

Yo, stand down, stand down (Stand down, stand down)  
They don't ever want it with the crew when we roll ganged out (Ganged out)  
Bro came smellin' like ounce  
Turn a hundred pound to a hundred thou' (Thou')  
Hold up (Hold up), roll up (Roll up)  
They don't want it when we roll out (Roll out)  
Tooled up (Tooled up), pulled up (Pulled up)  
And all they heard was bang-bang, pow-pow  
Why so savage? Jumped out the automatic  
And let off the automatic  
Then he walked off like it was so oh-so average, oh my God

Fuck whoever's in charge (In charge)  
I'ma let it ring, just let my ting charge (Ting charge)  
I had to take your tings darg  
You should never trust an Arsenal supporter that still chats to Lingard (Uh)

You should know what you're in for  
When they pull up in a whip that ain't insured  
Man, they just roll up and blaze, streets ain't safe  
That ain't no knife, that's a dragon slayer  
I'm pissed and in the middle of the streets  
Still got a little bit of beef  
So much haters just a little bit of cheese  
Fuck these neeks, bro go ride up in new  
And blow them (And blow them)  
Blow them guys when you're rollin' (When you're rollin')  
Rollin' by in a stolen (Stolen)  
Stolen ride, just... and drive
