

# Take Em Down

MoStack

See when we drop this  
Shootin' for the mosh pits  
Move like you lost it  
I'm really mad, we locked this  
'Cause we ain't no losers  
Although this is all us  
Comin' from the hood  
Where all you hear is (All you hear is)

(Boom, boom, boom, boom, boom)  
Take 'em down, down  
(Boom, boom, boom, boom, boom)  
Take 'em down, down  
(Brrr, boom, boom, boom, boom, boom)  
Take 'em down, down  
(Boom)  
Take 'em down, down  
(Boom)  
Take 'em down, down, down

We don't like anybody that lies, uh  
We do lie to the feds all the time  
We don't like anybody that don't like us  
We take down anybody that tries  
You're always a manners man  
I'm more that bandana man  
And they will tan a man, like holiday with a bag of sand  
What you want a war for?  
I'm big doggy, chihuahua  
Really with a blaster  
Eatin' for a starter

See when we drop this  
Shootin' for the mosh pits  
Move like you lost it  
I'm really mad, we locked this  
'Cause we ain't no losers  
Although this is all us  
Comin' from the hood  
Where all you hear is (All you hear is)

(Boom, boom, boom, boom, boom)  
Take 'em down, down  
(Boom, boom, boom, boom, boom)  
Take 'em down, down  
(Brrr, boom, boom, boom, boom, boom)  
Take 'em down, down  
(Boom)  
Take 'em down, down  
(Boom)  
Take 'em down, down, down

I said, "Bitch, this chain not yours" (Yours)  
Niggas only rich with talk (Talk)

Don't talk about Grey Gang days (Days)

I'm as bad as I was before  
I'll run man down with swords  
You ain't the block, you're a fraud  
Nah, nah, you don't bang  
Nah, nah, you ain't gang  
Nah, nah, you just ran, yeah, yeah  
You just ran, yeah, yeah
