I ain't rollin' with them, no, it's just me
Couldn't ever trust you the way you trust me
You gotta watch your back 'cause they pree you
Ain't it mad them people made me hate people, ah
Fake friends are so evil, ah
Only holla when they need you, uh
Fake, you ain't ever been true, no
No, no, no, no, no, no

I don't need these nigga's, I'm gang myself
No self harm when I say I bang myself
I don't hang around with them, I hang by myself
'Cause when I hang around with them, I wanna hang myself
You called me fake, you don't even know the meaning
Stab me in the back and you left a nigga bleedin'
She can stay with me even though we ain't speakin'
Switched on your bro and it really wasn't needed
Oh, hopped in the car and told her that I'm leavin'
It's straight from the heart
Do me wrong once and you won't get a second chance
From a little baby I've been emotionally scarred
Bit by a bitch, that's a different type of darg
Now I fell in love with my own company
I don't want friends, I wanna own companies
They want something from me
But niggas go and act like they want me

I ain't rollin' with them, no, it's just me
Couldn't ever trust you the way you trust me
You gotta watch your back 'cause they pree you
Ain't it mad them people made me hate people, ah
Fake friends are so evil, ah
Only holla when they need you, uh
Fake, you ain't ever been true, no
No, no, no, no, no, no

The one I take a bullet for is the one tryna shoot me
Said he got me, but they hate me on the lowkey
You know me, I'll shoot my dad for my broski
Heartbreak emoji, sometimes I don't go sleep
Are you down, are you there for me?
Keep my name out your mouth 'less you're prayin' for me
When times got tough I saw the weak and tough
We couldn't even stay in touch

I ain't rollin' with them, no, it's just me
Couldn't ever trust you the way you trust me
You gotta watch your back 'cause they pree you
Ain't it mad them people made me hate people, ah
Fake friends are so evil, ah
Only holla when they need you, uh
Fake, you ain't ever been true, no
No, no, no, no, no, no

I don't need these nigga's, I'm gang myself

No self harm when I say I bang myself
I don't hang around with them, I hang by myself
'Cause when I hang around with them, I wanna hang myself
