Nigga, I don't need a cro-cro-crowd

Wi-wi-wild

Took her out to eat, all you did was eat it
Shit really changed when I got a blue tick
Expensive steaks, I'mma need a toothpick
Wi-wild nigga, I forever lose it
I only miss you when you post a new pic'

It ain't fun if the homies can't have none (Yeah-yeah)
So bro-bro, go and grab one (Uh-huh)
I hear you over there having threesomes (Mm-hm)
Cool, just make sure you leave me some (Yeah-yeah)
She back it up mad, then I slap the back (Mad-mad)
If you did that you'd get slapped for that (Slap-slap)
You bro fucked your ting and you went mad for that (Yeah)
When my bro fucked my ting, we just dabbed to that

Man check their textes
And he saw some O's and X's
Your jewellery stiff, mines ganking
They don't know sticks, gang shanking
Ya' hear me?

They don't want no war, you know
They don't want no war, you know
So please stop joking
'Cos everybody could hold smoke

'Cos the mandem are really from the wilderness
