

Hey bro
What the fuck?
Yo, what the fuck happened bro?
Some niggas rushed me and took my shit bro
Some niggas what? Who bro? Who?
I don't know
Bro
I don't know cuz, them niggas rushed me
They took my—
Yo, calm down, calm down
You ain't see no faces?
You don't know who the fuck done this bro?
Who bro? Who?
I don't know cuz

Yes, yes, the top says Kenzo
'Fore I passed my test, I went shoppin' for a Benzo
What, boo, you didn't get the M.O?
A guy with no friends, she can't put me in the friend zone
Baby, I'm a very known, a very known, stranger
Baby gyal, I'm 'bit psycho
Please don't call my phone
I'm not in a cycle

They wanna come when I'm havin' a juice
But sorry bruddah, you ain't gang enough (Nah)
And the price of this Canada Goose (How much?)
Cost more than a flight out to Canada (Woo!)
They came for the killin' (What?)
No blood spillin' (Uh)
Bro are you kiddin'? (Ah)
He didn't have it in him after all that talk
Talkin' about he pop up in a four by four
Grass ain't green, let me mow my lawn
Two gyal fightin' and it's all my fault
They don't know I gave the money all my love (All)
And they're supposed to be friends
I had to break them up then I broke up with them
They don't recognise (What?)
Choose money first like there ain't a second choice (Yeah)
But why you makin' noise?
We like to roll up in silence
All they know is guns and violence
All you know is straps and violence

Yes, yes, the top says Kenzo

Yo, my Lightfoot niggas there when it's on top
Don't white hood niggas, 'cause it's there and it's on cock
When yutes took my jewels, man didn't know who

So gang went and sprayed up the wrong block
And we still don't know who man was schemin'
When we find out, know we're beefin'
Blood, I'm a psycho, I mean it
Don't take a leaf out of my book
Why? 'Cause I class that stealin'
You know my tings certi', I'ma rep the block in my 30s
Bun 'im then bun myself just to act like it weren't me
Ahh fuck, shouldn't have done that
Yeah, I was always out here, man I rid and ride
You ain't street, you just livin' life
Had mum vexed 'cause she couldn't find her kid at night
Had mum vexed 'cause she couldn't find her kitchen knife, facts

Yes, yes, the top says Kenzo
