

# Chloe Dancer / Crown of Thorns

Mother Love Bone

Chloe don't know better  
Chloe's just like me, only beautiful  
A couple of years' difference  
But those lessons never learned  
Did you know?

Chloe does the tables in the French Quarter  
She's always been given  
So I can't always make her laugh  
But I'm proud to say  
And I won't forget

The times spent layin' by her side (ooh yeah)  
The times spent layin' by her side (ooh yeah)  
Dreams like this must die  
And a dream like this must die  
Dream like this must

You ever heard the story of Mr. Faded Glory?  
Say he who rides the pony must someday fall  
Talkin' to my altar, say life is what you make it  
And if you make it death, well rest your soul away  
Away, away, yeah child

It's a broken kind of feelin', she'd have to tie me to the ceiling  
A bad moon's a-comin', better say your prayers, child  
I wanna tell you that I love you but does it really matter?  
I just can't stand to see you draggin' down again, again  
My baby again, oh yeah

So I'm singin'  
And this is my kinda love  
It's the kind that moves on  
It's the kind that leaves me alone  
Yes it does

And this is my kinda love  
It's the kind that moves on  
It's the kind that leaves me alone

I used to treat you like a lady  
Now you're a substitute teacher  
This bottle's not a pretty, not a pretty sight  
I owe the man some money, so I'm turnin' over honey  
See, Mr. Faded Glory is once again doin' time, oh yeah

And this is my kinda love  
It's the kind that moves on  
It's the kind the leaves me alone  
Yes it does

And this is my kinda love  
It's the kind that moves on  
It's the kind that, it's the kind that  
It leaves me alone, yeah

Like a crown of thorns

It's all who you know, yeah  
So don't burn your bridges woman  
'Cause someday, yeah

Kick it, oh yeah

And this is my kinda love  
It's the kind that moves on  
It's the kind that leaves me alone, yeah

This is my kinda love  
It's the kind that moves on  
It's the kind that, it's the kind that, yeah yeah

Baby  
I said come on, come on, come on, come on, do it  
I said baby  
Don't burn your bridges woman  
Don't come back here  
I said good times  
I said tu tu tu
