

Like a Child

Mother Mother

It's time I dance in the pouring rain
Let that water wash my fear away, yeah
It's time I let my little heart run wild, yeah, yeah

It's time to love, it's time to love, just like a child
It's time to love, it's time to love, just like a child
Kick it!

Can I forget just who I think I am?
Can I remember when I first dove in?
Can you believe I let my soul retire?

It's time to love, it's time to love, just like a child
Kick it!
It's time to love, it's time to love, just like a child
It's time to love, it's time to love, just like a child
Kick it!

It's time to dream of
It's time to dream of, yeah!
It's time to dream of

It's time I dance in the pouring rain
Let that water wash my fear away, yeah
It's time I let my little heart run wild

It's time to love, it's time to love, just like a child
It's time to love, it's time to love, just like a child
Kick it!
It's time to play, it's time to play, just like a child
It's time to scream, it's time to scream, just like a child

It's time to dream of, yeah, yeah, yeah
It's time to dream of, yeah, yeah, yeah

It's time to love, it's time to love, just like a child (Dream
of)
It's time to love, it's time to love, just like a child
