

ON AND ON (Song for Jasmin)

Mother Mother

On and on and on and on and on
On and on and on and on and on
On and on and on and on and on
On and on and on and on and on

You're my best friend
I'd have your kid
I'd kill for you
I could go on and on like this

I love your teeth
I love your laugh
It could cure disease
I could go on and on like that
Someone stop me, I'll go on and on and on

On and on and on and on and on
On and on and on and on and on
On and on and on and on and on
On and on and on and on and on

The world is sick, how did you get in?
You are not like it
You're like the opposite of sin
You show your heart
To any and everyone
It's made of pure love
I could go on and on and on
Someone stop me, I'll go on and on and on

On and on and on and on and on
On and on and on and on and on
On and on and on
Someone stop me, I'll go on and on and on

Yeah, I wanna play guitar for this girl

We fell in deep
I fell from grace
You forgave me
And helped me find my new apartment
Someone stop me, I'll go on and on and on

On and on and on
Someone stop me, I'll go on and on and on
On and on and on
Someone stop me, I'll go on and on and on

On and on and on
Someone stop me, I'll go on and on and on
Someone stop me, I'll go on and on and on
