

Scared

MOTHICA

Oh oh
Oh oh

I'm not scared, I'm just
Not prepared for what
You're trying to do
And I'm not scared of you
Or what you put me through
But I won't call you mine
For the last time

I'm not gonna sit here and waste my time
You better make up your mind

I know I set myself up for
What you did and how I felt before
I don't need to compromise
I feel you in the room tonight
Turn me into someone I don't like
Don't want to wake you up
But someone needs to shake you up
Tell you not to force my love tonight

I'm not scared, I'm just
Not prepared for what
You're trying to do
And I'm not scared of you
Or what you put me through
I won't call you mine
For the last time

I'm not gonna sit here and waste my time
You better make up your mind

I know I set myself up for
What you did and how I felt before
I don't need to compromise
I feel you in the room tonight
Turn me into someone I don't like
Don't want to wake you up
But someone needs to shake you up
Tell you not to force my love tonight

Oh oh
Oh oh
