Sometimes

MOTHICA

Maybe I will
Maybe I won't
Maybe you'll call
Maybe I don't know, know what I've been looking for
And I've never felt this way before

What if I do
If I decide
That this is true
I think I might
Give this a shot just for tonight
And I'd be damned if I waste my time

On you, oh yeah yeah
On you, oh no
Cause sometimes I think I'm right
Is it wrong if I waste my time?

On you, oh yeah yeah
On you, oh no
Cause sometimes I think I'm right
Is it wrong if I waste my time
On you, on you, on you, on you
On you, on you, on you, on you

Sometimes I'm high
Sometimes I'm low
Sometimes I write all of these songs
Waiting for you to string me along
Waiting for you to prove me wrong

But you keep, but you keep me here
Then you dis-, then you disappear
And I can't help feeling confused
Am I wasting my time on you?

On you, oh yeah yeah
On you, oh no
Cause sometimes I think I'm right
Is it wrong if I waste my time

On you, oh yeah yeah
On you, oh no
Cause sometimes I think I'm right
Is it wrong if I waste my time
On you, on you, on you, on you
On you, on you, on you, on you

On you, on you, on you, on you
On you, on you, on you, on you
On you, on you, on you, on you
On you, on you, on you, on you
