Delirium

Motion City Soundtrack

There's a stain there's a stain there's a stain on the floor
I want to soak want to scrub want to clean it and more
But all the nurses are refusing to let me out of bed
And my eyes are pouring nightly
There's a crowd there's a crowd there's a crowd on my ward
I'm full of joy full of glee jubilation and more
These crazy stupid mother fuckers never leave me alone
And my lungs are wheezing slightly
There's a buzz there's a buzz there's a buzzing of bugs
From flower beetles yellow jackets silverfishes to slugs
It's always raining caterpillars from the circular fan
And my heart is pounding brightly

I swim in pharmaceuticals I swim in pharmaceuticals
The medicine deactivates the things I take the things that take me
I swim in pharmaceuticals I swim in pharmaceuticals
The medicine the deactivates the things I take the things that take m
e

There's a voice there's a voice there's a voice in my head
It's rather soothing and it tells me I'd be better off dead
But if I beat it maybe punch it even kick it away then everything wil
l be alrightly

I swim in pharmaceuticals I swim in pharmaceuticals
The medicine deactivates the things I take the things that take me
I swim in pharmaceuticals I swim in pharmaceuticals
The medicine the deactivates

I didn't know it was hot in the middle
I touched it once then I touched it a second time
Cause I am that naïve a myriad of bright ideas
I didn't know I get caught in the middle
I touched it once then I touched it a second time
Cause I am that naive a myriad of bright ideas

I swim in pharmaceuticals I swim in pharmaceuticals
The medicine the deactivates the things I take the things that take m
e
I swim in pharmaceuticals I swim in pharmaceuticals
The medicine the deactivates

I didn't know it was hot in the middle
I touched it once then I touched it a second time
Cause I am that naïve a myriad of bright ideas
I didn't know I get caught in the middle
I touched it once then I touched it a second time
Cause I am naïve a myriad of bright ideas
