

# Come On And Dance

Mötley Crüe

Took my love  
Into overdrive  
Custom pink  
Tonight you'll pay the price  
When she's hot  
Well, damn she's hot  
Electric love  
Like Sandra Dee  
Should have seen her dance

Come on and dance  
Come on, baby  
Come on and dance

Fast and slick  
Well she's cool and clean  
In a Pepsi sheen  
She's a leather tease  
When she's on top  
Well, she can't be stopped  
Watch her scream  
Watch her suck you clean  
And you should've seen her dance

Come on and dance  
Come on, baby  
Come on and dance

Took my love  
Into overdrive  
Custom pink  
Tonight you'll pay the price  
When she's hot  
Well, damn she's hot  
Electric love  
Like Sandra Dee  
Should have seen her dance

Come on and dance  
Come on, baby  
Come on and dance  
Come on and dance  
Come on, baby  
Come on and dance
