Mötley Crüe

I hear a voice in my head going 'round
It's been talking to me for a while
Inject my soul with the truth, do you dare?

Oh, my God. It's time for a prayer

Going down
Breaking down, I'm underground
Breaking down, I'm underground
Time for a prayer isolate, I contemplate
Time for a prayer physical, I'm miserable

Forgive me father for I have sinned
God, is my sanity split in two?
All this time and I still feel the pain

Oh, my God. It's time for a prayer
I'm going down, breaking down, I'm underground
I'm going down, breaking down, I'm underground
Time for a prayer aggravate, I contemplate
Time for a prayer physical, I'm miserable

Don't you make me go searching for my soul?
