

Face Down In The Dirt

Mötley Crüe

It's a dirty job but someone's gotta do it
It's a dirty job but someone's gotta do it
It's a dirty job but someone's gotta do it
It's a dirty job but someone's gotta do it

All I ever heard as a kid was "You're born to lose"
All I ever wanted was a shot at breaking the rules

I wanna make a lot of money
But I don't wanna go to school
I don't wanna get a real job
I don't wanna be you

I'd rather be dead
I'd rather be dead
I'd rather be face down in the dirt
With a bullet in my head

Well, I ran away and pawned my soul for a switchblade knife
I met a man from Mars and a couple other freaks that night

I wanna take on the world
I wanna bang a million girls
I don't wanna wear a three piece suit
I don't wanna be you

I wanna make a lot of money
But I don't wanna go to school
I don't wanna get a real job
I don't wanna be you

I'd rather be dead
I'd rather be dead
I'd rather be dead
I'd rather be dead
I'd rather be face down in the dirt
With a bullet in my head

I'd rather be dead, yeah I'd rather be dead
I'd rather be face down in the dirt with a bullet in my head
With a bullet in my head
