

I, I'm feeling rot  
I'm feeling rotten today  
I guess I forgot  
I am shot, I'm not OK

So long to pain, so long to games  
So long, say good-bye

Someone tell me why, I'm feeling cold inside  
Do I wanna, do I wanna die?  
Someone tell me why it's building up inside  
Do I wanna die and kiss it all good-bye?

I'm a sinking ship  
On a sea of bliss, I'm not OK  
I, I'm blind to this  
Is this just a test to help me see?

So long to you, so long to me  
So long, say good-bye

Someone tell me why I'm feeling broke inside  
Do I wanna, do I wanna die?  
Can you tell me why it's building up inside?  
Do I wanna die and kiss it all good-bye?

You're the reason I would live  
I hope that you can give me this  
You're the reason

So long to pain, so long to games  
So long, say good-bye

Can you tell me why I'm feeling dead inside?  
Do I wanna, do I wanna die?  
Someone tell why it's building up inside  
Do I wanna kiss it all good-bye?
