

# Keep Your Eye On The Money

Mötley Crüe

Black jack, roulette  
Losing high and low  
She's cold as ice  
Turn a young man old

Comedy and tragedy  
Entertainment or death  
Like sister morphine  
Hooked on her game  
Time to place your bets

If it wasn't for bad luck  
I'd have no luck at all

Keep your eye on the money  
Keep your eye on the dealer's hand  
Keep your eye on the money  
Keep your eye on the lady's hand

Queen of hearts  
Or Ace of spades  
I'm dancing on the blade  
Freak show, goin' broke  
The crowd screams on for more  
Electric shock won't bring ya back  
You've gone over the boards  
Can't beat the clock the deck is stacked  
The crowd looks on in horror

If it wasn't for bad luck  
I'd have no luck at all

Keep your eye on the money  
Keep your eye on the dealer's hand  
Keep your eye on the money  
Keep your eye on the lady's hand
