

Mutherfucker Of The Year

Mötley Crüe

I'm just a thorn in your side
The disrespect in your eye
I can't control myself

I'm like the snake in your drain
I'm taking over your brain
'Cause I can't help myself

Every time I turn my head
I can hear everything that said
I know they wish I'd go away

Here I am again
Hey now hey now
I'm the motherfucker of the year

Call me the jackal in heat
The blackest cat on the street
You better watch yourself

A hand grenade with no pin
A razor blade going in
I'm going straight to hell

Every time I turn my head
I can hear everything that said
I know they wish I'd go away

Here I am again
Hey now hey now
I'm the motherfucker of the year

Here I am again
Hey now hey now
I'm the motherfucker of the year

Here I am again
Hey now hey now
I'm the motherfucker of the year
