

## Slice Of Your Pie

Mötley Crüe

Tattoo crawling down her leg, so sexy  
So young...ever get caught they'll arrest me  
School girl, studied up well on hoochie coochie  
Lick lips, kitten with a whip so undress me, undress me

Hey, pretty pretty  
With the sweet sweet eyes  
Order me up another slice of your pie

Whiplash, I never looked at you in high school  
Hot child, always walk behind you for the rear view, rear view  
Good God, baby, baby blow my fuse when you walk this way  
Nineteen, seductive ballerina, so trashy, trashy

Hey, pretty pretty  
With the sweet sweet eyes  
Order me up another slice of your pie  
(Slice of my pie)

Hey pretty pretty from across the room  
Got something sticky sweet for you  
Order me up another slice of you  
Slice of you, yeah

Hey pretty pretty from across the room  
Got something sticky sweet for you, wow!  
(Slice of my pie)  
Hey pretty pretty with the sweet sweet eyes  
Guaranteed to satisfy  
Just one wish before I die  
Order me up another slice of your pie  
Pretty, pretty
