

# Crazy Like a Fox

Motörhead

Babe you're dressed to kill tonight  
I get ahead of myself  
If you knew what you do to me  
You'll be with someone else  
Jump back, be cool, you make me feel  
Like I'm back at school  
Make me crazy, crazy for you  
Oh you make me hot  
Come on, show me what you got  
You're moving slow, baby don't say no  
You move like a rattlesnake  
And I can't stand no more, oh babe

You're gonna wreck my mind  
And I hope you do it all the time  
You better give it your best shot  
You know I'm crazy, crazy like a fox  
Don't you turn your back on me  
You just make it worse  
You look just as beautiful  
When you're movin' in reverse  
Come on, be nice, oh babe  
You're gonna wreck my life  
Make me crazy, make me jump all night  
Oh you make me die  
When I look into your eyes  
I'm moving in, I'm coming through  
You must be an earthquake  
'Cause I'm shaking in my shoes

You're gonna wreck my mind  
And I hope you do it all the time  
I love you're body 'cause it rocks  
You make me crazy, crazy like a fox  
Come on honey, take my hand  
'Cause we're out of here  
I'm gonna take you home with me  
I'm gonna whisper in your ear  
Come on, make it quick  
Oh, mama, hit me with your rhythm stick  
It's magic time  
But I don't play no tricks  
Oh baby come on  
You know I want to get it on  
You must be a guitar player  
The way you're stringing me along

Oh babe, you're gonna wreck my mind  
And I hope you do it all the time  
I'm gonna knock you out of your socks  
You make me crazy, crazy like a fox  
You've been doin' it all the time  
You know I love you, love you lots  
Crazy like a fox  
You're gonna wreck my mind  
I hope you do it all the time
