

Motorhead

Motörhead

Sunshine wrong side of another day
Sky-high and six thousand miles away
Don't know how long I've been awake
Wound up in an amazing state

Can't get enough and you know its righteous stuff?
Goes up like prices at Christmas Motorhead
Remember me now Motorhead alright

Brain-dead total amnesia
Get some mental anaesthesia
Don't move, I'll shut the door and kill the lights
I guess I'll see ya all left behind

All good clean fun, have another stick of gum
Man you look better already, Motorhead
Remember me now, Motorhead, alright

My, my, my, my, my Wahhawah

Fourth day, five day marathon
We're moving like a parallelogram
Don't move, I'm certainly gunna kill the lights
If I can't be wrong, I must be right

I should be tired, and all I am is wired
Ain't felt this good for an hour
Motorhead, remember me now Motorhead, all night.

Yeah, yeah, yeah, yeah
Motorhead remember me now Motorhead
its only you now Motorhead
Motorhead
Yeah, yeah, yeah
