

## Over The Top

Motörhead

Shoot, shoot, shoot, hey!  
Please tell me kind, I'm out of my mind  
And I'm telling you  
It's not that I'm bad, I'm totally mad  
I'm a boogaloo

I'm certain, I must be a burden  
Completely  
Over the top, over the top!

I don't know what it means, all I hear is screams  
And I don't know whose  
The nightmares are real, I got a raw deal  
And it's all bad news

I swear it, I can't get it  
Completely  
Over the top, over the top!

You know it's no lie, my main alibi  
It's a waste of time  
You know it's the truth, the lyrics the proof  
And at least it rhymes

You can have me, 'cos I'm barmy  
Completely  
Over the top, over the top!
