

# Overkill

Motörhead

Only way to feel the noise  
Is when it's good and loud  
So good I can't believe it  
Screamin' with the crowd

Don't sweat it  
Give it back to you  
Don't sweat it  
Give it back to you  
Overkill  
Overkill  
Overkill

On your feet you feel the beat  
And it goes straight to your spine  
Shake your head, you must be dead  
If it don't make you fly

Don't sweat it  
Give it back to you  
Don't sweat it  
Give it back to you  
Overkill  
Overkill  
Overkill

Know your body's made to move  
And you feel it in your guts  
Rock and Roll ain't worth the name  
If it don't make you strut

Don't sweat it  
Give it back to you  
Don't sweat it  
Give it back to you  
Overkill  
Overkill
