

## Remember Me, I'm Gone

Motörhead

I can't believe it, that I lost you  
Could've made it happen, but it didn't come true  
Some other guy got you home and dry  
Only been the one, same old song  
Remember me, I'm gone  
Remember me, I'm gone

You're such a beauty, one of my best  
Could've stopped me running, could have beat the rest  
Now another face occupies my place  
Guess I'm not the one, the same old song  
Remember me, I'm gone  
Remember me, I'm gone  
I'm gone, I'm gone

I miss all the good times, you know your name  
You ain't mine no longer, a crying shame  
Now you and your old man got you in the slam  
Must have done you wrong, same old song  
Remember me, I'm gone  
I said, remember me, I'm gone  
Gone, gone  
Gone, gone  
Gone, gone

Remember me
