

Get Out

Motograter

Sitting around your whole fucking life
Wasting all your precious time
Not doing a fucking god damn thing
Except another bullshit line

Get out, getout, get out, get the fuck out
Get out, getout, get out, get the fuck out

Every morning it's your face
Another day for you to waste
Why don't you go to another place
Your just a big fucking disgrace

Get out, getout, get out, get the fuck out
Get out, getout, get out, get the fuck out

I see right through your bullshit lies
Your nose your mouth and your thin fucking disguise
Why don't you go on your own fucking way
How many times must I say

Get out, getout, get out, get the fuck out
Get out, getout, get out, get the fuck out
