

## You Are One of Us

Mott the Hoople

Well you know the way we go  
And you know the way we see  
Grateful for the chosen road  
Nice to have the memories  
And you know we won't forget you  
And you know we'll always care  
We won't follow no superstitions  
We ain't running anywhere  
(hey)  
Thankyou for the way you've been  
Each and every night  
Thankyou for most everything  
Thankyou baby, thankyou baby  
Thankyou baby, thankyou baby

You are one of us yes you are  
(hey hey you know you know)  
You are one of us yes you are  
(yes everywhere we go)  
(and its everywhere we've seen)  
You are one of us yes you are  
(ooo yeah)  
(everything we do)  
(thankyou)  
(I said thankyou)
