

# I Have Been Told That My Skin Is Exceptionally Smooth

Mount Eerie

Should there be songs?  
Should my hair be long?  
Should my stare be strong?  
Do nightmares belong on the prairie at dawn?  
Do I dare to fawn over fair-faced blonds?  
Should there be bonds to their hair undrawn?  
Should my prayers be bronze? Are affairs so wrong?  
I have been told that my skin is exceptionally smooth  
But what good is that?  
When to get to my heart  
You have to crawl through tight tunnels of sharp rock
